

# PRACTICAL EXAMPLE: ARMCHAIR

VERSION APRIL 2022

# MÖBELTECH- NIK/FURNITURE TECHNOLOGY

Wir möchten Ideen Raum geben, unsere Kunden inspirieren. Viele Ideen der Möbelhersteller sind ohne unsere Produkte kaum zu realisieren. Wir entwickeln und produzieren Befestigungslösungen und Design-Elemente für die unterschiedlichsten Möbel. Unsere Bauteile steigern die Prozesssicherheit in der Fertigung, verleihen bestimmte Konturen und ermöglichen neue Konstruktionen.

Diese Kreativität sowie unser weltweites Händler- und Beraternetzwerk sind der Grund, weshalb alle namhaften Möbelhersteller OKE vertrauen.

Mit unserem Anwendungskatalog **Originals by OKE** können Sie sich für neue Ideen inspirieren lassen, mit weit über 100 Anwendungsbeispielen für die Möbelindustrie.

We want to make room for ideas, inspire our customers. Many of the furniture manufacturers ideas can only be put into practice with our little helpers. We develop and produce attaching solutions and design parts for the most diverse furnitures. Our components enhance process security in the production of our customers, give contours and enable new constructions.

This creativity and our worldwide network of wholesalers and consultants are the reason why all major furniture manufacturers trust in OKE.

Be inspired with our application catalogue **ORIGINALS BY OKE** for new ideas with far more than 100 examples of applications for the furniture industry.

**VIELE WEITERE IDEEN UND ANWENDUNGEN IN UNSEREM KATALOG ORIGINALS BY OKE./**
